Sir,

In submitting herewith the travelling allowance bills of the marginally noted Taluk Officials for favour of forwardal to Govern-ment for sanction, I have the honor to state as follows:-

2. The accounts of the Hadadore Taluk had for some years past been greatly neglected and were in a most unsatisfactory state. The extension of irrigation in the Taluk during the past 5 or 6 years had to some extent contributed to this confusion in the accounts. Shortly after I took charge of the District, it came to my knowledge that there were heavy arrears in this Taluk uncollected

1. Venkataramaniah, Head Gumasta of the Ramapura Taluk for the months of April, May, June and July 1903.
2. Srinivasa Iyengar, Head Gumasta of the Nagamangala Taluk for the [illegible]

uncollected for the past several years. Some of the Shanbhogs taking advantage of the above circumstances had embezzled Government money and totally neglected the collection work. The ryots of the Nirlé and Tippar Hobbies were loudly complaining that the village servants were demanding more than what they actually had to pay to Government and that amounts paid on account of acreage contribution had been credited towards Land Revenue arrears and vice versa A thorough examination of the village accounts for the past 5 years was found necessary in order to prepare a correct Kalwar Baki Patté With the existing inefficient establishment of the Gadaroé Taluk, it was absolutely impracticable to cope with this additional work before commencing the Kuzwa Jamabundi. Nor could I depute the District Officials. (The establishment being limited and already

overworked) to attend to this work, which would occupy several months. I therefore thought it necessary to send for two experienced accountants from other taluks for examining the accounts of the previous years before taking up the jamabandi works.

3. The taluk Officials named above have done good work and have incurred additional expense in travelling from their respective taluks to Gadag. I therefore recommend that amounts charged in the enclosed bill may be kindly sanctioned as a special case.

I have the honor to be,

Sir

Your most obt. servant
